#### Rupert Mock Heads Local Heart Drive

Rupert Mock of Pahokee will head the 1964 "Heart Days for Business" Jerry Thomas Heart Campaign Fund Chairman announced today. This drive is a canvas of local, commercial and professional offices by local Heart volunteers which gives every businessman an opportunity to contribute to the Heart Fund.

Mr. Mock said, "Because 54 percent of all deaths under the age of 65 years are caused by heart disease this program deserves the attention of every American able to contribute time or money."

"One out of every two deaths in the United States is caused by diseases of the heart and blood vessels—more than 900,000 each year."

"About one-fourth of these deaths occur in the 45-64 age group, the prime of life." More money is needed to help research scientists who are looking to find the means of preventing heart disease.

"Heart disease is your No. 1 health enemy. Your Heart Fund is your No. 1 defense. Please give all you can when a volunteer calls on you."

This is the third consecutive year Mr. Mock has been chairman of the business drive in Pahokee. For the past two years he has been on the board of directors of the Heart Association of Palm Beach County.

Other chairmen in this area are: Mrs. Joe Tom Boynton, Heart Sunday Chairman, Pahokee; Mrs. Billy Rogers, South Bay; Mrs. Mark Challaiche, Heart Sunday Chairman, South Bay; Mrs. James A. Gray and Mrs. Arthur Levy, Heart Sunday Chairmen in Belle Glade; Mrs. Nathan Bolton, Lake Harbor; Roy Kimberly, Chairman of Hole-in-One Golf Tournament; Mrs. E. F. Mixson, Chairman of the Glades Heart Ball at the Pahokee Elks Club on February 29; and Mrs. D. L. Hooks, chairman of Canal Point. M. M. Hamilton, principal of East Lake School, is chairman in the Pahokee Negro area.

#### Lampi's Band Will Play Concert Feb. 9

Robert O. Lampi's 50-piece Pahokee High School band will present its first public concert of the season in the Pahokee high school auditorium at 3:30 p. m. Sunday, February 9.

Numbers will include Coffield's "Trumpets Ole" by the cornet section, Von Suppe's "Donna Juanita Overture," a required selection for Class CC bands in the forthcoming 1964 district and state contests; and "La Perichale" by Offenbach-Lawrence, an optional contest selection.

#### W. A. Keen Is Better After Long Illness

W. A. Keen, long-time Pahokee resident, is able to be out of his home and visit his familiar haunts in Pahokee after an illness that lasted several weeks. Mr. Keen, several weeks ago, fell and wrenched his back severely and was in the hospital for several weeks. Following that time he spent several weeks at his home recuperating. His many friends will be happy to know that he is able to be out and around again.

#### Barfield Highway Is Hospital Site

Recent decision of the Pahokee Hospital Board to purchase 10 acres on Barfield Highway as a site for the new hospital has been commended widely by taxpayers and citizens of the Canal Point-Pahokee section.

The present site of Everglades Memorial hospital is entirely too small for future expansion. Should officials have decided to build on the present location much dissatisfaction and setbacks would have been experienced. The move to Barfield Highway was a wise one.

The 10-acre area on Barfield will give the hospital district officials plenty of room for the new structure and enough room for any future expansion. The present hospital can easily be converted into a nurses' home and should be, because of the housing shortage for experienced nurses who must in large number come from outside the Glades area.

#### PTA Awards Made At February Meet

The Canal Point P. T. A. met Monday night, February 3, at 8:00 p. m. in the school cafeteria with W. E. Blackwell presiding. Rev. Sexton Hall, pastor of the Glades Baptist Church, Pahokee gave the devotionals.

The room count was won by Mrs. Charlotte Walston's fifth grade. Rev. Robert Shelly introduced Bill Moss who presented gifts of New Testaments to the parents with the most children. Mrs. Colman Connelly and to Mrs. A. R. Harrington for the most years of service (19 years). He also recognized the past presidents of the PTA and other officers attending.

Mr. Moss spoke on "Church, School and Home and the part it takes in the molding of our children."

The Founders Day theme was carried out in the refreshments served after the meeting with a founders day cake and punch. Refreshments were served by Mrs. Betty Huddle Mrs. Robert Arrieta and Mrs. Willis Hoyle.

#### Sewerage Plant Is Lions Club Topic

At the February 4 meeting of the Pahokee Lions Club, Mayor Duncan Padgett introduced Glenn Bradley, engineer for Gannett, Fleming, Corddry and Carpenter, who discussed the proposed sewage treatment plant in Pahokee. City Attorney Ralph O. Johnson assisted Mr. Bradley in answering questions in regard to the plant.

It was noted that there will be a straw vote held on February 25 to determine the desires of the residents in regards to the sewage plant.

Frank Rozelle, past president, inducted new member Lewis Collins. Mr. Collins is in business with his father, Minter Collins, at Collins Furniture Store.

The Lions will hold their 25th anniversary Ladies Night on February 25 at 7:30 p. m. in the Lions Club Building. The speaker will be International Director of Lions, A. K. Donovan of Falls Church, Virginia.

#### Blue, Gold Banquet Honor Cub Scouting

The Pahokee Cub Scout Pack 623 met Tuesday, January 28, at the Woman's Club. Elmer Upthegrove was in charge for the first time as the new cub master. The theme for the month is "Family Alert". Skits were presented by dens one, two and three and den four was in charge of the opening flag ceremony.

On display were various articles made by the Cub Scouts during the past month. The attendance flag for the month was won by den one; the good conduct banner, den four and the awards plaque, den two.

Announcement was made of the annual Blue and Gold Banquet to be held in the Community Building at the Glades Park, Canal Point, Tuesday, February 25, in observance of the anniversary of the founding of Cub Scouting.

Cub Scout leaders and parents of the Glades District, Gulf Stream Council will hold a meeting Thursday at 7:30 p. m. at the Pahokee Chamber of Commerce office. Edward Culberson was named treasurer of Pack 623 to fill the vacancy left by the resignation of C. R. Wetherington.

#### HOME FROM PUERTO RICO

Mr. and Mrs. Claude Shirley have returned from a two week vacation to Puerto Rico, St. Thomas Islands and Jamaica. They also attended the National Concrete and Masonry convention in Atlantic City.

Mrs. Paul Tillery is supplying teaching for Mrs. Brooks Henderson who has been ill at home.

#### Tiny Fishing Village of Two Decades Ago More Recently Has Been Making Good In Vegetable Production. — Now Comes Another Era — That of Cane Growing — Which Is Expected To Give Additional Impetus to Growth of That Collier County Section of South Florida.

#### Miss Velma Williams Signally Honored

Miss Velma Williams, daughter of Mr. and Mrs. J. E. (Jake) Williams of Bacom Point in Pahokee, has been signally honored at Mercer University at Macon, Ga. Miss Williams was chosen as one of eight young women to represent the university in a beauty contest in which "Miss Macon" will be chosen. Miss Williams is a graduate of Pahokee High School.

#### Funeral Services Dr. E. W. Brandes

Funeral services will be held today (Friday) for Dr. E. W. Brandes of Canal Point and Palm Beach, who died suddenly Monday morning from a heart attack in his Palm Beach home. Burial will be in Arlington National Cemetery.

Dr. Brandes had been head pathologist and chief of the Sugar Division of the Bureau of Plant Industry in the U. S. Dept. of Agriculture from 1927 until his retirement in 1951. Then he moved with his family to Canal Point where he was private consultant for several large sugar industries.

Survivors include his widow, Mrs. Grace Newbold Brandes; a daughter, Mrs. Elizabeth Goldfaden, Greenbelt, Md.; a son, Major William F. Brandes, Bethesda, Md.; five grandchildren and one great-grandson.

#### Chamber OKs Sewerage Facility

The Pahokee Chamber of Commerce met Monday night, Feb. 3. R. F. Hurt president, presided. Mayor Duncan Padgett and City Attorney Ralph Johnson introduced a resolution to vote yes for the proposed sewage collection and treatment facility to the Chamber of Commerce board of directors. The board indorsed the resolution and it was signed by president Hurt.

The board also recommended that citizens of Pahokee vote yes at the straw vote to be held February 25.

Other guests at the meeting were E. C. Mapp director of the South Florida Fair for this area who gave some of the results of the fair and Raleigh Goldinger of St. Petersburg who is in the process of making a new city map.

One of the biggest and highest-capacity sugar mills in the world may be erected at Immokalee, if present hopes and plans of farmers in that area materialize and the federal government doesn't slap on sugar quotas again before the movement can be realized.

During the past two decades the tiny fishing village of Immokalee in Collier county has grown into one of the outstanding vegetable producing centers in south Florida. Many Glades brokers and growers have been in close touch with the fast growing vegetable area and several of them are financially interested in that section of Florida.

Immokalee during the past few years has come to the front as a watermelon producing area and melons from the area have been first on the market throughout America. Fortunes have been made and lost in the melon ventures because of the fact that necessary drainage wasn't available for those who wanted to get rich quick growing melons.

Now comes another stage in the growth of the Collier county area surrounding Immokalee — that of planting and growing sugar cane. Imaginations have been fired there by stories from the Glades where good money has been made during the past couple of years by new cane growers. At a recent meeting of vegetable farmers there, enthusiasm was built to a fever pitch by fabulous stories coming out of the Lake Okeechobee Region about sugar cane.

Vegetable farmers at the meeting signed on the dotted line to grow 22,000 acres of cane and talk was bruited about in regard to the world's largest and highest-capacity cane grinding mill. However when costs were placed before those in attendance the enthusiasm was dampened a bit as they learned that "all was not gold that glittered" in the cane industry in the Lake Okeechobee Region.

Whether or not the dreams are realized depends a whole lot upon what happens within the next few weeks. Seed cane must be planted now. And, already one grower is putting in 100 acres of cane to be used for seed. Others are expected to follow suit immediately. Especially, since President Johnson recommended to the Congress recently that cane quotas be held off for another year.

#### KENTUCKY VISITORS

Mr. and Mrs. Marvin Crady have as their guests her mother and father, Mr. and Mrs. Irvin Sprowls of Buffalo, Ky. Also visiting over the weekend was their daughter and family, Mr. and Mrs. Harry Sheppard of Lake Park.

### Delray Principal Wants Supt. Place

Robert W. Fulton, 47 year old Principal of Seacrest High School of Delray Beach, Boynton Beach and Boca Raton, today announced he will be a candidate for the office of Superintendent of Public Instruction in the Democratic primary May 5th.

"Many wonderful people have been insistent that I seek this educational office, and it is gratifying to know that they feel my qualifications are eminent for the great demands of this important position of supervising, maintaining and administering the County Educational Facilities", Fulton said. "Of course—due to the very nature of this election, it will be necessary for me to obtain a leave of absence from my present administrative duties at the appropriate time", Fulton added. "To be absolutely positive that I to present administrative duties are in no way connected with my political endeavors, we are requesting all of my friends to contact me through two temporary telephone numbers, in the West Palm Beach area they may call 833-7000, and in Delray Beach 278-2922."

Fulton with 10 years of administrative experience in Palm Beach County schools, outlined his objectives for the administrative post that handles 34 million dollars per year of the taxpayers money.

JAMES B. O'KEEFE

## Deputy Clerk Asks Circuit Clerk Job

James B. "Gordon" O'Keefe of Delray Beach, deputy clerk, has formally announced his candidacy for the Democratic nomination for Clerk of the Circuit Court of Palm Beach County.

In a statement released this week O'Keefe said:

"Because of the fact that J. Alex Arnette, the present Clerk, will not seek re-election, many of my friends have suggested that I consider running for the office of Clerk of the Circuit Court in Palm Beach County because of the experience I have gained in the seven and a half years as an employee of Mr. Arnette and as a deputy clerk.

"After due consideration I have decided to announce my candidacy for that office.

"I feel that the office of Clerk of the Circuit Court is one of the most important ones as it involves great responsibility requiring well qualified and experienced personnel.

"It will be my aim to continue the progressive policies established by Mr. Arnette with his experienced and well trained staff, endeavoring to maintain the enviable position that the Palm Beach County Clerk's office now holds as one of the most modern, complete and efficient not only in the state but in the country.

"I will always strive to give the maximum service with minimum costs."

He also stated he would resign his present position on or before qualifying time in March.

A resident of Palm Beach Coun-

ty since 1949, O'Keefe is a veteran of World War II, attends the Methodist Church and is active in civic and fraternal work and youth organizations.

He resides with his wife, Gladys, in Delray Beach.

## Passion Play Will Open February 9

LAKE WALES—Final rehearsals are in swing and last-minute touches are being applied for the opening, on Sunday, February 9, of the 12th annual winter season of the famed Black Hills Passion Play in the Lake Wales Amphitheatre.

A non-profit community project, the Passion Play features Josef Meier, renowned Christus portray-er, and a cast of 30 professional actors, supported by more than 100 citizens of the Lake Wales area as extras.

Done in old-world tradition, but with dialogue in English, the Passion Play is presented on a stage 250 feet wide in a natural amphitheatre seating 3500. A camel caravan and mounted Roman soldiers add a touch of realism to this age-old religious spectacle, which had its origin in the Cappenberg Monastery of Luenen, Germany, in 1242. In 1932 it was brought to America by Josef Meier, of the seventh generation of his family to enact a role in the Play.

In 1938 the Play was established in a permanent summer home at Spearfish, in South Dakota's Black Hills—hence the Play's name.

In 1953 the Play was transplanted to Lake Wales as a winter tourist attraction and, at the same time, as a source of wholesome activity for many local persons—and winter visitors as well.

Performances will be given four times a week through April 19. On Tuesday, Thursday and Saturday at 7:30 p. m., and on Sundays, a twilight performance at 6 p. m. The customary Good Friday performance will be given on March 27, at 7:30 p. m. In addition there will be two special matinee performances: Wednesday, February 19, at 4:00 p. m., and Wednesday, February 26, at 4:00 p. m.

## Shelley Tells Of Coming Revival

Rev. Robert Shelley, pastor of the Canal Point Methodist church, asks a question: "Does your life need spiritual lift?" The local minister takes the opportunity to answer the question with the following statement: "Then look forward to this date—February 20th." And his reason for looking toward the date is the fact that a revival will begin at Canal Point Methodist Church.

Rev. Ben Williams, from Macon, Georgia will be the Evangelist. Rev. Williams is a young man but an experienced Evangelist. He has

preached many seasons in the Camp Ground Revivals across the South, and has also been used as exchange preacher to many large Northern pulpits. He preaches with conviction and authority, and you will enjoy him. You will not want to miss a single night!

*A message from the Treasury of a free people*

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

## Christian Science Group Of Canal Point

Man's discovery of the realities of "Spirit" will be the theme this Sunday at Christian Science churches.

Golden Text: "Teach me to do thy will; for thou are my God; thy spirit is good; lead me into the land of uprightness" (Ps. 143:10). Related readings will include this selection: "Faith, advanced to spiritual understanding, is the evidence gained from Spirit, which rebukes sin of every kind and establishes the claims of God" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 23).

## Martha Ann McBride Weds Robert L. Gray

Miss Martha Ann McBride became the bride of Robert L. Gray in a double ring ceremony in the Methodist Church of Nahunta, Ga., on January 25. ## Wee Care Response Is Reported Good

Response to the recent call to this community for furnishings for use in Belle Glade's new Wee Care Nursery is excellent, according to Mrs. E. M. Lively, Chairman of the Furnishings Committee.

The effective team work shown throughout the bi-racial endeavor known as Wee Care Inc., designed for day care of 100 pre-school Negro children, has produced many gratifying results.

A partial list of nursery furnishing and monies received for uniform items to be purchased by the committee follows. Other contributions will be published after a meeting of committee members on Saturday, February 8, at 10:30 a. m. at Community Methodist Church Chapel, reports Mrs. John A. Dulany, publicity chairman.

The First Baptist Church has pledged a gift of money for the nursery, and contributed 25 straight chairs for adults, a refrigerator and a baby crib. The Women's Missionary Union of the Church, has donated 50 receiving blankets.

The Episcopal Church Women of St. John, The Apostle, Episcopal Church have contributed \$60 for purchase of 5 stack cots. The Ladies Aid of St. Peter's Lutheran Church has given \$45 for purchase of a nursery activity table.

The Woman's Society of Christian Service of Community Methodist Church has donated \$50 for purchase of 4 stack cots, St. Philip's Altar Society of St. Philip's Catholic Church has contributed 50 crib blankets. The Women's Christmas Savings and Community Club has given \$36 for purchase of 3 stack cots.

Mrs. W. O. Norville reported contributions received by her for the nursery from the James Oliver Store consists of 10 cribs, a rocking chair for adults, and aluminum sterilizer for 10 baby bottles and a box of toys.

Mrs. C. M. McCurdy and Mrs. W. C. Taylor have reported that the following persons have donated \$45 each for purchase of nursery activity tables: Norman Hall, John H. Lee, Mrs. Willie Mae White, Mr. and Mrs. Jack Humphrey, Mr. and Mrs. C. M. McCurdy in memory of Mrs. Carrie H. McCurdy.

Mrs. W. C. Taylor has also reported funds contributed for purchase of 4 nursery chairs at \$6.00 each, by Mr. and Mrs. Isiah Scott, Mr. and Mrs. Mackie L. Davis, John Thymes and Timothy Rumph. She also reports that Gus Peavy and Simon Mosley are constructing 10 double wooden easels for use in the nursery.

The response and interest of the community is such that all the necessary items of furnishings are expected to be on hand when the nursery is to be ready for operation March 1st.

Plans are now underway for the dedication of the Wee Care Center according to Miss Sara Lee Creech, Building Chairman.

## Unified Marketing Planned For Citrus

LAKELAND — A nationally-known business consultant firm has recommended the Florida Citrus Commission create a new "Commercial Development Department" to push unified marketing and product research and thus widen total sales of Florida citrus.

Booz, Allen and Hamilton of New York, who completed the seven month study of commission activities, based their recommendations on the prediction that Florida would produce 135 million boxes of oranges and 29 million boxes of grapefruit by 1967-68.

The consulting firm said the big job ahead in advertising, merchandising and commercial development of products and markets would require heavier expenditures. They recommended a limited flexibility in which the commission could set tax rate based on projected amounts needed to meet the challenges of competing products in the future.

They suggested the commission have the freedom to ask for as much as 18 cent per box on oranges, up to 12 cents per box on grapefruit, and up to eight cents per box on other citrus varieties. They said the orange tax rate should be increased to 10 cents per box by 1966-67 and 12 cents per box by 1967-68. Present orange tax is nine cents per box.

The grapefruit rate, they suggested, should be increased to eight cents per box by 1965-66, and 10 cents by 1967-68.

## Appreciation Dinner Planned For Holland

ORLANDO—Representatives of the various segments of Florida agriculture have announced that an appreciation luncheon to honor Senator Spessard L. Holland will be held April 17. It will be Florida agriculture's first united effort to honor the state's senior senator.

Other exhibits will consist of the porpoise pool featuring Miami Seaquarium porpoises and the "Bridge to the Keys" being installed by the Florida Development Commission.

## Channel 5 Offers Baptist Program

"The Answer," dramatic television series produced by Southern Baptists' Radio-TV Commission, is designed to provide the viewer with both entertainment and spiritual insight according to a local pastor, Station WPTV, Channel 5, West Palm Beach telecasts every other Sunday 1:00 to 1:30 p. m. beginning February 9th.

The Rev. Lawrence Stewart, pastor of Canal Point Baptist Church, says his church plans to use "The Answer" as an incentive to visitation and also to help communicate basic Christian beliefs within the family as a way of life. This use of television is called Televangelism.

Films in "The Answer series for 1964 fit into four different problem areas; family, social, teenage and personal. Beginning Sunday, February 9th, the films will be shown during February and March. On Easter Sunday, March 29, a special film called "The Lord's Supper" will be shown.

"Televangelism can still work as it has for the past five years in reaching prospects for the church," Rev. Stewart said, "but we'll be urging our members to watch each week as a family."

Either way, he said, the purpose of "The Answer" dramas is to consider contemporary daily problems which any of us may be called on to face and to provide scriptural solutions for them.

Mrs. Marty Carsten of West Palm Beach had as her luncheon guests Wednesday, Mrs. H. J. Anderson, Mrs. George Ramey and Mrs. Helen Schroder.

Mrs. Charlotte Walston has been a patient in Everglades Memorial Hospital Mrs. James Gibson is supply teaching her fifth grade class until she is able to return.

your U.S. Savings Bond won't lose its value...or even stop growing

What hasn't happened to U. S. Savings Bonds?

They've been stolen and thrown into a river. Mistakenly left in an oven and baked at 400°. Hidden in a cookie jar and eaten full of holes by hungry beetles. Forgotten in a pair of work pants and washed, bleached and spin dried. Cut into tiny pieces by an irate wife. Gnawed by mice, and gobbled up by goats.

Yet, in spite of all these misfortunes, these Bonds weren't lost to their owners. They didn't even stop growing in value.

The Treasury Department keeps a record on microfilm of every Savings Bond sold. So even if that's lost, destroyed or stolen,

can be replaced. And the service is free.

The safety is just one of the many reasons why U. S. Savings Bonds are the most widely held securities in the world. Another good reason why you should invest in Bonds is the important job they can do right now in making America safer from the enemies of freedom.

Buy Bonds and see if you don't feel pretty good about it.

Quick facts about U.S. Savings Bonds • You get \$4 for every \$3 at maturity • You can get your money anytime • Your Bonds are replaced free if lost, destroyed or stolen • You can save automatically on Payroll Savings

Yes, a freedom in your future with U.S. SAVINGS BONDS

with PCA leading the way !

Three decades ago America demanded a new system of credit in order to survive. Advances in technology brought with it larger farms with expensive machinery and more money was needed. Costs of fertilizer, feed and labor meant more money was needed.

Production Credit Associations were established in 1933, with the passage of the Farm Credit Act. PCA originated the system of short and intermediate term credit which breathed life into the American farm picture. Since that time, PCA has been the pacesetter in Credit for Agriculture, extending credit and showing other short-term lenders how to operate a workable system of credit for the American farmer.
